When a sailor named Gideon Fletcher returns home after 17 years at sea, tensions between past and future flare in both his family and his town. The local shipyard, around which Wallsend has always revolved, is closing, and no one knows what will come next-only that a half-built ship towers over the terrace. With one engine fired and pistons in motion, picket lines are drawn as foreman Jackie and his wife Peggy fight to hold their community together in the face of the gathering storm. The Last ship features original music and lyrics by multiple Grammy award winner Sting. Sting will star as shipyard foreman Jackie White and will perform the role at every performance. With personal experiences from Sting's own childhood, this new musical is personal, political and passionate. Heartbreaking, uplifting, intimate and universal and one not to be missed!*
