**THURSDAY, JULY 10, 2025**

We begin our Canadian visit with a truly unique experience: the **Royal Mounted Police Academy Heritage Center and training depot**. The RCMP have been part of Canada's Confederation since 1867 and we will visit the Heritage Centre, home to their story. Explore over a century of history and discover rare artifacts exclusively here, including an original 1873 uniform. Told through informative exhibits and a driving simulator, you will be transported thru the "March of the Mounties" and its evolution from a frontier police service to what it is today. Since 1885, every RCMP officer has gone through Depot training and we will experience a behind-the-scenes look at training, featuring special access to observe the daily Sergeant Major's Parade on the historic parade square. Our hour-long, guided tram tour will stop at the historic Chapel, the oldest building in Regina, The Cenotaph and the eternal flame, learn about the town of Buffalo and lastly observe cavalry drills by Cadets in training. After learning about the RCMP, we will travel through Medicine Hat to Calgary for our overnight at the **Residence Inn by Marriott Calgary South**, our home for the next 2 nights in Calgary. We have arrived in the providence of Alberta, our 2nd Providence.

Hotel breakfast buffet and bus box lunch included. Dinner on own at Medicine Hat Mall, Medicine Hat, Alberta.

**FRIDAY, JULY 11, 2025**

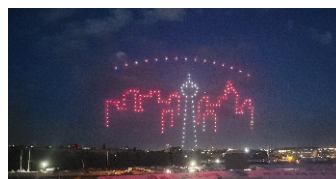

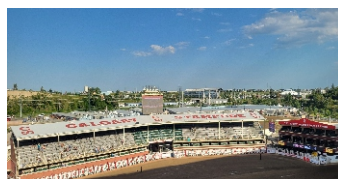

What a Friday we have in store for you at The Greatest Show on Earth: **The Calgary Stampede!** Today is all about visiting an authentic Alberta experience. The Midway, the live music, the Stampede Showband, the Young Canadians of the Calgary Stampede dancers, the Dog Bowl, the shopping and let's not forget about all the food from fair standards to really unique foods, this day definitely has it all! It all comes down to skill of the cowboys and the quality of the stock at the afternoon rodeo and the CS evening show double-header. Witness the Cowboys Rangeland Derby Chuckwagon races and then the fan-favorite Relay Races followed by the Indigenous Relay Racing teams. Did your favorite cowboy, cowgirl or team win their events? The evening will conclude with the Grandstand show that will blow you away with elaborate song and dance numbers, acrobatics and wraps up with a spectacular fireworks finale! You will be treated to the Thrill Package which includes best seating, Round-trip WestJet Ride over the Stampede Grounds, souvenir program & bag and a CS cowboy hat of your very own! Be prepared to stay out past your bedtime but it will be worth it.

Hotel breakfast buffet included. Lunch and dinner on own at the Calgary Stampede.

**SATURDAY, JULY 12, 2025**

Since we kept you out late last night, sleeping in a bit will be on the itinerary but there's so much more to do! It's time to bid Calgary a "see you later" and visit **CrossIron Mills** shopping mall for lunch on your own and some bargain hunting rolled into one. We will then depart for the **Yamnuska Wolfdog Sanctuary** for a rare visit with these beautiful animals. Our tour takes us inside an enclosure with a large viewing platform accompanied by one of the guides. Enjoy the opportunity to learn about the sanctuary (not a zoo but they live out their lives being well taken care of), and an introduction to what wolfdogs are all about. The Sanctuary currently has 55+ permanent wolfdogs, which includes 10 ambassador wolfdogs who take part in visits. The Wolfdog content level refers to how much wolf content each animal has in them. Wolfdogs are very different than a house dog and strict rules for visiting must be followed. You will fall in love with these unique animals and come away with a new found appreciation for them. A self-guided Sanctuary Walk and gift shop time included.

What a special Monday we have planned for you! Tito and company will provide us private, mini-coach transportation as we visit **FOUR** of the iconic lakes in the Canadian Rockies! Our visits will take us to **Emerald Lake, Peyto Lake, Lake Louise and Moraine Lake**. Emerald Lake is located in Yoho National Park and is one of the finest lakes in the Canadian Rockies found in British Columbia. It's the largest lake in Yoho National Park, one of the most stunning lakes and surrounded by President Mountain Range. Peyto Lake is located within Banff National Park and the viewpoint is an easy hike to view the Lake from an observation deck. Can you see the animal this lake is in the shape of? Famous Lake Louise has drawn visitors to the Canadian Rockies for over a century. The alpine lake in Banff National Park is a wild turquoise blue color fed by glacier melt and set by a backdrop of Mt. Victoria and draws in millions of visitors each year. We will enjoy an included lunch at the Fairmont Chateau Lake Louise before departing for Moraine Lake, our final lake visit today. Moraine Lake is a stunning turquoise gem, cradled by the Valley of the Ten Peaks and is a sight straight out of a dream. Take in the iconic views from the lakeshore or for the adventurous, climb the Rockpile to get breathe taking views of this beautiful lake. All along the way, Tito and his co-workers will share history, interesting facts and their passion of this breathtaking area. ## TUESDAY, JULY 15, 2025

Tuesday morning is our time to say good by to Banff and head along the Columbia Icefields Parkway to our first experience of the day, the **Columbia Icefield Glacier Adventure Ice Explorer and Glacier Skywalk**. To say this is an adventure of a lifetime, is an understatement! As you roll across the **Athabasca Glacier** in a massive Ice Explorer, your guide tells stories from the glacier's past. As soon you step onto the ancient ice, you will be in awe of it's size and beauty. Be sure to get some glacier ice water with you. We guarantee it will be the freshest and coldest water you have ever had! When is the last time you came face to face with an ancient Glacier? Definitely an experience you will remember forever. It's then time to shuttle to the **Glacier Skywalk**. Lined with exhibits, the Skywalk features a glass-floored viewing platform and unparalleled views of mountains, glaciers and the Sunwapta Valley. By now you have worked up an appetite, so we will enjoy an included lunch at the Altitude Restaurant before we continue up the Icefields Parkway to the **Athabasca Falls** for free time to explore and simply take in the beauty of these easily accessible falls. Although it's not the tallest or widest waterfall in the area, Athabasca Falls in Jasper National Park is among the most powerful waterfalls in Alberta. Athabasca Falls is situated on the mighty Upper Athabasca River and was created when the Athabasca Valley Glacier retreated. The large amount of water you see flowing today flows from the glacier found in the Columbia Icefield. We will check into our home for the night, **The Crimson** in Jasper, before we enjoy a private performance of "**From Jasper with Love**", followed by a private group dinner at the Olive Bistro.
